Tender Notice for "MODIFICATION OF COOLING TOWERS AT SMSPH & RMPH

**BMW to take
 on peers in
 sub-500 CC
 segment**

FE BUREAU
 Chennai, July 18

BMW MOTORRAD INDIA on Wednesday announced its entry into the sub-500 CC segment in India with the launch of BMW G310 R and BMW G310 GS. The motorcycles are now available for test drives and are on sale throughout the BMW Motorrad dealer network.

Following its entry into the Indian market, BMW is taking head-on the likes of Bajaj Auto, Kawasaki, TVS Motor and Royal Enfield, among others, in the sub-500 CC segment, which holds significant market opportunity in India. Priced at ₹2.99 lakh and ₹3.49 lakh, respectively, BMW G310 R and BMW G310 GS have been developed in Munich, Germany, by BMW Motorrad and will be produced at its partner TVS Motor's Hosur plant in Tamil Nadu.

TVS Motor has already supplied more than 25,000 units of BMW bikes for the latter's overseas markets. Vikram Pawah, president, BMW Group India, said, "BMW Motorrad has brought the world's finest premium motorcycles to India and created a distinct place for itself among motorcycling enthusiasts within a short span of time. BMW G310 R and BMW G310 GS will captivate the fast growing sub-500 cc segment and bring new customer groups to the world of BMW Motorrad.

BMW G310 R is the perfect urban roadster for those who want to make pure motorcycling a part of everyday life, whether it's on an empty road or on the way to work. For those looking for an extra streak of adventure and fun, BMW G310 GS is the answer. Both the offerings are set to redefine their segment as they are ideal for young people, novices, returning riders and many other motorcyclists."

Dimitris Raptis, head of Asia region, China, Pacific, South Africa, BMW Motorrad, said, "Bringing the brand's formida-
